

DRAINING 20 stick

Food supplement

DRAINING it is a food supplement made with extracts of Elderflower, Artichoke, Dandelion, Birch, and Aloe Vera. Elderflower, Dandelion, and Birch support the drainage of body fluids. Artichoke and Aloe Vera promote the body's natural detoxifying functions.

Ingredients:

Water, Sweeteners: Erythritol, Steviol Glycosides from Stevia; Stabilizer: Glycerol; Aloe Vera Gel (Aloe Vera L. (Syn. Aloe Barbadensis Mill.), without rind); Elderflower (Sambucus Nigra L. flowers) dry extract standardized to 0.3% flavonoids; Artichoke (Cynara scolymus L., leaves) dry extract standardized to 5% caffeoylquinic acids as chlorogenic acid; Dandelion (Taraxacum officinale (L.) Weber ex F.H.Wigg. root) dry extract standardized to 2% inulin; Birch (Betula Pendula Roth./Betula Pubescens Ehrh., leaves) dry extract standardized to 0.3% hyperoside; Preservative: Potassium Sorbate; Acidity Regulator: Citric Acid.

Dosage and Instructions for Use:

It is recommended to take 15 ml per day, equivalent to one stick, diluted in 1 - 1.5 Liters of water.

Drink the prepared solution throughout the day.

If you'd like further adjustments or refinements, let me know!

Average Contents	per Daily Dose (1 capsule)

Aloe vera	400 mg

NRV: Nutrient Reference Value **per day (adults)** according to EU Regulation No. 1169/2011

Warnings:

Do not exceed the recommended daily dose. Keep out of reach of children under three years of age. Food supplements should not be considered a substitute for a varied, balanced diet and a healthy lifestyle.

The presence of sediment is due to the use of natural substances and does not affect the quality of the product. Store in a cool, dry place. Do not consume on an empty stomach. Keep tightly closed in a cool, dry place, away from direct sunlight and heat sources. The expiration date refers to the product when properly stored in its unopened packaging.

Due to the presence of erythritol (a polyol): excessive consumption may have laxative effects.
